

Kwik-affix™

Decorative Snap Grommets

Simple to use. No tools needed for assembly. The two halves of ring snap securely together by hand. Front and back have same decorative finish. Grommets slide easy, do not scratch decorative poles, are UV resistant and are not harmed by water.

For custom spacing or template use.

For thicker fabrics or multiple layers, snap grommets with extended collar and locking ring are provided.

Designer's Choice - largest selection of metal finishes, solid colors, opaque satin and many sizes and shapes. Fabrication tools such as templates, optional cutting irons and fusible transparent buckram tape for lightweight fabrics.

Imagine the uses for pillows, cornices, tiebacks and much more.
